

PEDIGREE

SS08523802

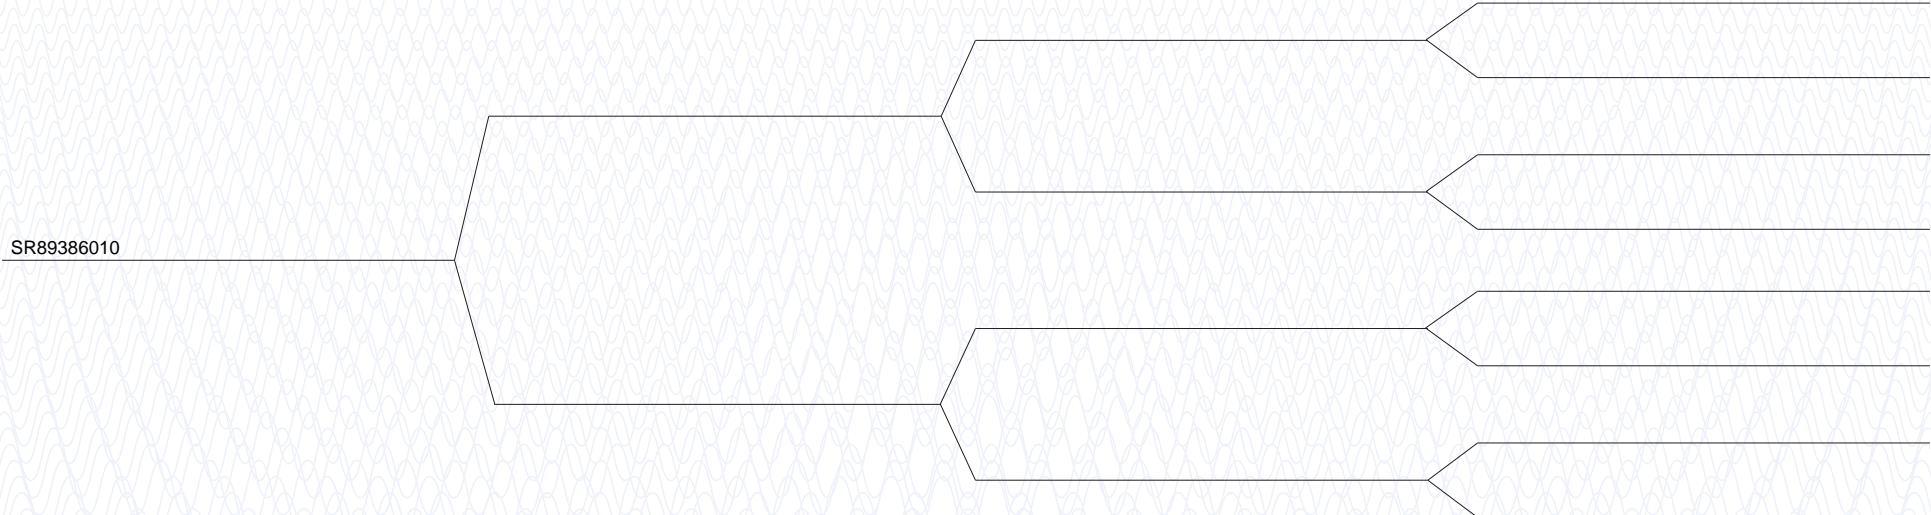

Labrador Retriever
Male

SR74901808

A pedigree chart for the dog SR74901808. The chart shows a single line from the dog's name on the left that splits into two lines, representing its parents. Each of these parent lines then splits into two lines, representing the four grandparents. The lines are horizontal and connected by diagonal lines at the split points.

SR89386010
