The pedigree chart for Pete's Delivery Lady is a three-generation chart. The first generation consists of two parents: Delivery's Stormy Pete (male) and Johnson's Patty Rap (female). They have four children in the second generation: two males and two females. Each of these four children has two children in the third generation, for a total of eight offspring. The chart is a standard pedigree format with horizontal lines for parents, vertical lines for offspring, and diagonal lines for siblings. The background of the chart area is a light blue pattern of interlocking circles.
