**BECKS GA GROWN SWEET AS SUGAR - SS14922104**

English Cocker Spaniel  
Female

The pedigree chart is a horizontal diagram with three generations. The first generation (top) has a single line on the left leading to a vertical line, which then splits into two horizontal lines. The second generation (middle) has a single line on the left leading to a vertical line, which then splits into two horizontal lines. The third generation (bottom) has a single line on the left leading to a vertical line, which then splits into two horizontal lines. Each horizontal line is followed by a vertical line, which then splits into two horizontal lines, creating a total of six lines for each generation. The chart is set against a background of a repeating pattern of the words 'Gundog Central' in a light blue color.
