The pedigree chart is a horizontal flow diagram with three levels of branching. The leftmost level has two horizontal lines for sire and dam. The second level branches into two lines for each parent. The third level branches into four lines for each of the two parents in the second level. The chart is set against a background of a repeating pattern of the words 'AKC' and 'CHESAPEAKE BAY RETRIEVER' in a light blue color. The entire page is framed by a decorative border with a repeating pattern of the words 'AKC' and 'CHESAPEAKE BAY RETRIEVER' in a dark blue color.
