

# PEDIGREE

â€˜PRâ€™™ STONE ROAD CHARLIE

English Setter  
Male

â€˜PRâ€™™ NORTHWOODS GRITS

The pedigree chart is a horizontal tree structure. It starts with two parents on the left: 'â€˜PRâ€™™ NORTHWOODS GRITS' and 'â€˜PRâ€™™ NORTHWOODS CARBON'. Each parent has a vertical line that connects to a horizontal line. From the center of this horizontal line, a vertical line goes up and another goes down. Each of these vertical lines connects to a horizontal line, representing the offspring of that parent. Each of these four horizontal lines then branches into two more horizontal lines, representing the offspring of each of those intermediate lines. This results in a total of 16 offspring slots on the right side of the chart.

â€˜PRâ€™™ NORTHWOODS CARBON
