German Wirehaired Pointer
Liver Roan
Male

A pedigree chart template for German Wirehaired Pointer puppies. The chart is set against a background of a repeating pattern of the breed's name, "German Wirehaired Pointer", in a light blue color. The chart is framed by a decorative border at the top and bottom, featuring a repeating pattern of the breed's name in a dark blue color. The chart is divided into two main sections, each representing a pair of puppies. Each section has a horizontal line on the left for the sire, which branches into two lines for the dam. Each dam line then branches into two lines for the puppies. The chart is designed to be filled out with the names and registration numbers of the parents and puppies.
