AKC AND NAVHDA REGISTERED MALE PUPPIES

"AKC AND NAVHDA REGISTERED MALE PUPPIES"

German Wirehaired Pointer
Liver Roan
Male

A pedigree chart template for German Wirehaired Pointer puppies. The chart is set against a background of a repeating pattern of the breed's head and coat. It features a central vertical line with two main branches, each leading to a pair of horizontal lines representing a sire and dam. Each of these four parent lines further branches into two lines representing the sire and dam of each parent, resulting in a total of eight lines for the grandparents. The chart is designed to be filled out with the names and registration numbers of the parents and grandparents of the puppies.
