WHIPPORWILL WAR DANCE

A pedigree chart for the dog Whipporwill War Dance. The chart shows the dog's name on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, representing the parents. Each of these diagonal lines then connects to a horizontal line, representing the grandparents. This structure repeats, with each horizontal line branching into two diagonal lines that connect to the next level of horizontal lines, creating a total of four levels of branching.
