TURNER POINTER PUPS

English Setter
Female

TURNER'S SLIM PICKENS

A pedigree chart for Turner's Slim Pickens. The name is on the left. A horizontal line extends to the right, then splits into two diagonal lines that meet a vertical line. From this vertical line, two horizontal lines extend to the right, each splitting into two diagonal lines that meet another vertical line. From this second vertical line, four horizontal lines extend to the right, representing the offspring.

JILL'S WHIPPOORWILL REBEL

A pedigree chart for Jill's Whippoorwill Rebel. The name is on the left. A horizontal line extends to the right, then splits into two diagonal lines that meet a vertical line. From this vertical line, two horizontal lines extend to the right, each splitting into two diagonal lines that meet another vertical line. From this second vertical line, four horizontal lines extend to the right, representing the offspring.
