

PEDIGREE

F

English Pointer
Female

LESTER

The pedigree chart is a horizontal flow diagram. It starts with a single line on the left labeled 'LESTER'. This line splits into two paths. The top path leads to a pair of horizontal lines, which then splits into two more paths. The bottom path leads to another pair of horizontal lines, which also splits into two more paths. This structure represents a family tree where one individual has two offspring, each of whom has two offspring of their own.
