SHOOTING STARR'S RANGER

The pedigree chart is a horizontal tree structure. It starts with a single line on the left labeled 'SHOOTING STARR'S RANGER'. This line branches into two lines, representing the sire and dam. Each of these two lines further branches into two lines, representing the four grandparents. This pattern repeats, with each of the four grandparent lines branching into two lines, representing the eight great-grandparents. The chart is designed to be filled in with the names and details of the dog's ancestors.
