

PEDIGREE

CH CAMPBELLCROFT PEPPERMINT PADDY CDX MH Labrador Retriever
Male

The pedigree chart is a standard three-generation template. It begins with a single line on the left representing the subject, CH CAMPBELLCROFT PEPPERMINT PADDY CDX MH. This line descends and branches into two lines, representing the first generation of parents. Each of these lines then branches again into two lines, representing the second generation of grandparents. This pattern continues for a third generation, resulting in a total of 16 lines at the bottom of the chart, representing the third generation of great-grandparents. The chart is designed to be filled out with the names and titles of the dogs in each generation.
