

# PEDIGREE

## KRUMEL VON DER WATERSTROATE

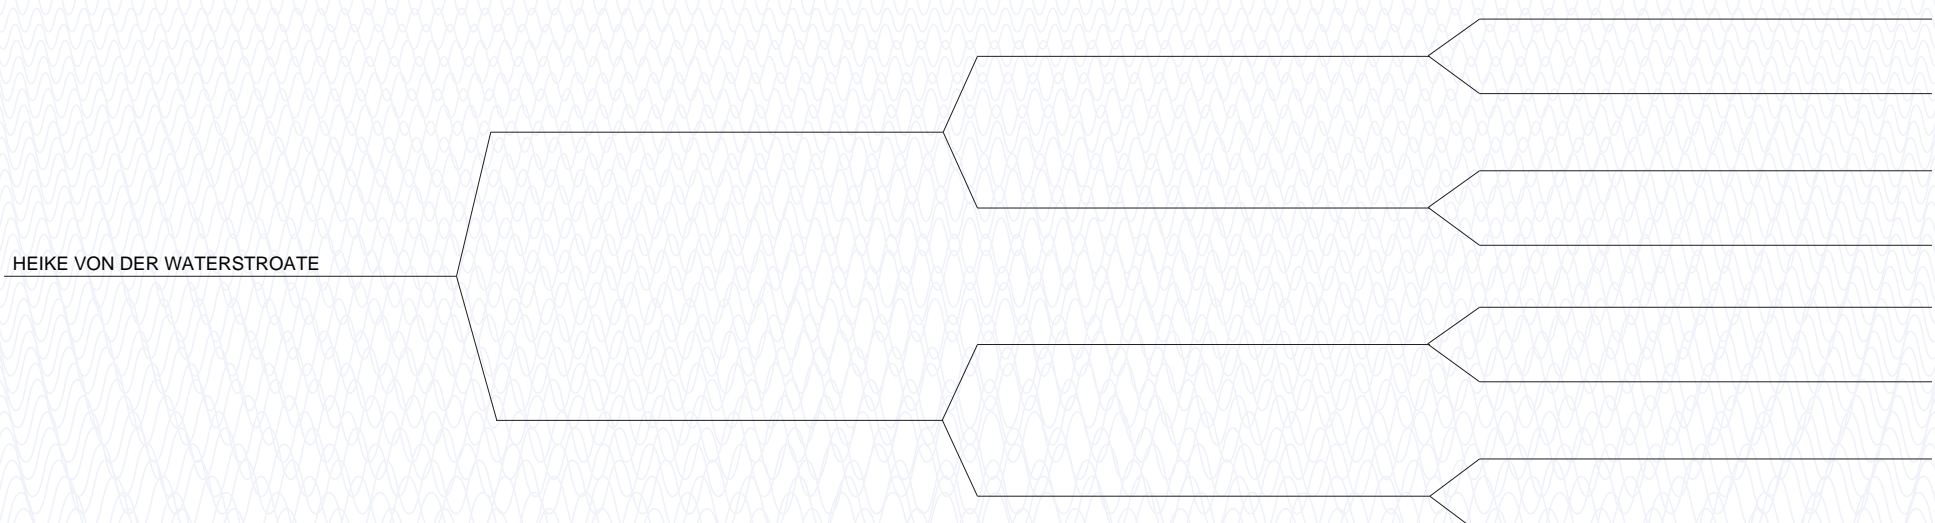

Small Munsterlander  
Male

ENZO VON IBBENBUREN

A pedigree chart for Enzo von Ibbenburen. The name is on the left. A horizontal line extends to the right, then splits into two diagonal lines that meet a vertical line. From this vertical line, two horizontal lines extend to the right, each splitting into two diagonal lines that meet another vertical line. From this second vertical line, four horizontal lines extend to the right, representing the offspring of the two parents.

HEIKE VON DER WATERSTROATE

A pedigree chart for Heike von der Waterstroate. The name is on the left. A horizontal line extends to the right, then splits into two diagonal lines that meet a vertical line. From this vertical line, two horizontal lines extend to the right, each splitting into two diagonal lines that meet another vertical line. From this second vertical line, four horizontal lines extend to the right, representing the offspring of the two parents.
