

PEDIGREE

ABSOLUTES PRAIRIE GODDESS

English Cocker Spaniel
Female

The pedigree chart is a horizontal tree structure. At the top, a single line represents the subject, 'Absolut's Prairie Goddess'. This line branches into two lines, which then branch into four lines, representing the first generation of ancestors. This pattern continues for three more generations, resulting in a total of 16 lines at the bottom, representing the fourth generation of ancestors. The chart is designed to be filled out with the names and details of the dog's lineage.
