

PEDIGREE

JENSEN'S BEAUTIFUL SIERRA

German Wirehaired Pointer
Female

The pedigree chart is a standard three-generation template. At the top, a horizontal line represents the subject, Jensen's Beautiful Sierra. From this line, four vertical lines descend to the first generation. Each of these lines then branches into two more lines, creating a total of eight lines for the second generation. This pattern continues for the third generation, with each of the eight lines from the second generation branching into two lines for the third generation, resulting in a total of sixteen lines for the third generation. The chart is designed to be filled out with the names and titles of the dogs in each generation.
