

PEDIGREE

FOXY'S LIL RED MISSY

Irish Setter
Female

RED N READY

A pedigree chart for the dog RED N READY. The name is on the left, connected by a horizontal line to a vertical line. This vertical line branches into two diagonal lines that meet a horizontal line. From this horizontal line, two more diagonal lines branch out to meet another horizontal line. This second horizontal line then branches into two diagonal lines that meet a final horizontal line. This final horizontal line branches into two diagonal lines that meet two final horizontal lines, representing the offspring.

MATTER OF PERSPECTIVE

A pedigree chart for the dog MATTER OF PERSPECTIVE. The name is on the left, connected by a horizontal line to a vertical line. This vertical line branches into two diagonal lines that meet a horizontal line. From this horizontal line, two more diagonal lines branch out to meet another horizontal line. This second horizontal line then branches into two diagonal lines that meet a final horizontal line. This final horizontal line branches into two diagonal lines that meet two final horizontal lines, representing the offspring.
