

PEDIGREE

BIS CH QUAIL RUNS OZARK MTN DAREDVL**

Chesapeake Bay Retriever
Male

The pedigree chart is a horizontal tree structure. It begins with two main horizontal lines on the left, representing the parents. Each of these lines branches into two lines, representing the grandparents. Each of these four lines then branches into two lines, representing the great-grandparents. This structure allows for recording four generations of ancestry. The lines are thin and black, set against a background with a faint, repeating pattern of the words 'Gundog Central'.
