Male

SPYKE

A pedigree chart for a dog named SPYKE. The chart shows SPYKE on the left, connected by a horizontal line to a vertical line. This vertical line branches into two horizontal lines, each leading to a vertical line. Each of these four vertical lines then branches into two horizontal lines, creating a total of eight empty slots for offspring on the right side of the chart.

PLUME

A pedigree chart for a dog named PLUME. The chart shows PLUME on the left, connected by a horizontal line to a vertical line. This vertical line branches into two horizontal lines, each leading to a vertical line. Each of these four vertical lines then branches into two horizontal lines, creating a total of eight empty slots for offspring on the right side of the chart.
