

PEDIGREE

SHIMMERING SURPRISE PARTY GIRL

English Springer Spaniel
Female

The pedigree chart is a standard format for recording a dog's ancestry. It consists of four generations, with the subject (Shimmering Surprise Party Girl) at the top. The chart is divided into four main sections, each representing a generation. Each section has a horizontal line on the left that branches into two lines on the right, representing the parents of the dog in that generation. The lines are connected by vertical lines, forming a tree structure. The chart is set against a background of a repeating pattern of small, stylized dog silhouettes.
