

English Setter
Female

A blank template for a dichotomous key. It features two main branching paths on the left side, each leading to four terminal lines on the right for classification. The paths are represented by black lines forming a series of 'Y' shapes. The top path starts with a horizontal line that splits into two diagonal lines, which then lead to two horizontal lines. Each of these horizontal lines further splits into two diagonal lines, resulting in four horizontal lines at the end. The bottom path follows a similar structure, starting with a horizontal line that splits into two diagonal lines, leading to two horizontal lines, which then split into four horizontal lines at the end. The entire template is set against a light blue background with a subtle, repeating pattern of small, stylized floral or geometric motifs.
