THE WHITE ROCKET

The pedigree chart is a horizontal tree diagram. It starts with a single line on the left labeled 'THE WHITE ROCKET'. This line branches into two lines. Each of these lines branches again into two lines, resulting in four lines. Each of these four lines branches a third time into two lines, resulting in eight lines. The chart is set against a background of a repeating pattern of interlocking circles. The entire page is framed by a decorative border of repeating blue and white patterns.
