RALLYS MILLERS CHIEF

The pedigree chart is a horizontal tree structure. It starts with two parents on the left: 'RALLYS MILLERS CHIEF' and 'BURKS CHIEF SUE'. Each parent has a line that leads to a vertical line, which then branches into two horizontal lines representing offspring. This structure repeats for two generations. The first generation has two offspring from each parent, and the second generation has two offspring from each of those four parents. The lines are solid black, and the background has a light blue repeating pattern of the words 'GUNDOG CENTRAL'.
