DC HOF ERDENREICHS JETTA BECKUM INFORMATION FOR DC HOF ERDENREICHS JETTA BECKUM

The pedigree chart is a horizontal tree structure. It starts with a single line on the left, which branches into two lines. These two lines branch into four lines, which then branch into eight lines. The lines are connected by horizontal lines, forming a series of 'V' shapes. The lines are labeled with numbers 1 through 16, indicating the order of the individuals in each generation. The chart is designed to be filled out with the names and titles of the individuals in the pedigree.
