DC HOF ERDENREICHS JETTA BECKUM INFORMATION FOR DC HOF ERDENREICHS JETTA BECKUM

The pedigree chart is a horizontal tree structure. It begins on the left with a single horizontal line representing the subject. This line branches into two diagonal lines, which then connect to two horizontal lines representing the first generation of parents. Each of these horizontal lines further branches into two diagonal lines, connecting to four horizontal lines representing the second generation of grandparents. This pattern repeats for a third generation, resulting in eight horizontal lines. Finally, each of these eight lines branches into two diagonal lines, connecting to sixteen horizontal lines representing the fourth generation of great-grandparents. The chart is designed to be filled out with names and registration numbers.
