

PEDIGREE

GUNSMOKE JOSE

American Brittany
Female

KCKS CACTUS JACK

The pedigree chart for Gunsmoke Jose is a three-generation tree. The first generation consists of two parents: KCKS CACTUS JACK on the left and an unnamed female on the right. They have four offspring in the second generation. The first two offspring are siblings, and the last two are also siblings. Each of these four offspring has two offspring in the third generation, resulting in a total of eight great-grandchildren. The chart uses standard pedigree symbols: a square for a male and a circle for a female. The lines connecting the parents to their offspring are horizontal, and the lines connecting offspring to their parents are vertical, with diagonal lines indicating mating. The chart is set against a background of a repeating pattern of small, stylized dog heads.
