

PEDIGREE

SNOOKIE WHISKERS

German Shorthaired Pointer
Female

The pedigree chart is a horizontal tree structure. It begins on the left with a single horizontal line representing the subject. This line branches into two lines, which then branch into four lines, representing four generations of ancestry. The lines are connected by diagonal and horizontal segments, forming a series of 'V' and 'W' shapes. The chart is designed to be filled out with names and dates for each individual in the lineage.
