

PEDIGREE

SIRE: AM CAN CH SUNNYBROOK ACRES JACK FROST^{Male} Labrador Retriever

The pedigree chart is a horizontal tree structure. It begins with a single line on the left, which splits into two main branches. Each main branch further divides into two sub-branches, resulting in a total of eight lines on the right side for recording names. The lines are connected by horizontal and diagonal segments, forming a series of 'V' and inverted 'V' shapes.
