PRIMETIME CISCO

A pedigree chart for the dog Primetime Cisco. The name is on the left. A horizontal line extends to the right, then splits into two diagonal lines that meet a vertical line. From this vertical line, two horizontal lines extend to the right, each splitting into two diagonal lines that meet another vertical line. This second vertical line has four horizontal lines extending to the right, representing four offspring.

PRIMETIME WONDER WOMAN

A pedigree chart for the dog Primetime Wonder Woman. The name is on the left. A horizontal line extends to the right, then splits into two diagonal lines that meet a vertical line. From this vertical line, two horizontal lines extend to the right, each splitting into two diagonal lines that meet another vertical line. This second vertical line has four horizontal lines extending to the right, representing four offspring.
