

# PEDIGREE

## APPALACHIAN MOUNTAIN SAM

English Setter  
Male

APPALACHIAN MOUNTAIN SPOT

A pedigree chart for the dog Appalachian Mountain Spot. The chart shows the dog's name on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, forming a horizontal line. From this horizontal line, two diagonal lines branch out to the right, forming two horizontal lines. This structure repeats once more, resulting in a total of four horizontal lines on the right side of the chart, representing the dog's offspring.

COPPER RIDGE ANNIE

A pedigree chart for the dog Copper Ridge Annie. The chart shows the dog's name on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, forming a horizontal line. From this horizontal line, two diagonal lines branch out to the right, forming two horizontal lines. This structure repeats once more, resulting in a total of four horizontal lines on the right side of the chart, representing the dog's offspring.
