CHAMPION DATELINE BLACK LIST

English Pointer
Male

A pedigree chart template for an English Pointer Male. The chart is set against a background of a repeating pattern of English Pointers. It features a central vertical line with two horizontal lines branching out to the left and right, representing the parents. From each of these horizontal lines, two more horizontal lines branch out to the left and right, representing the grandparents. This structure allows for the recording of four generations of ancestry. The chart is framed by a decorative border of English Pointers.
