The pedigree chart is a horizontal tree structure. It begins with a single line on the left, which branches into two lines. Each of these lines branches again into two lines, resulting in a total of eight lines in the third generation. Each of these eight lines branches a final time into two lines, resulting in a total of sixteen lines in the fourth generation. The lines are connected by horizontal segments, with diagonal lines indicating the branching points. The chart is set against a background of a repeating pattern of small, stylized dog silhouettes.
