

PEDIGREE

FOR THE GOOD TIMES AT BLEABERRY

English Springer Spaniel
Female

A pedigree chart template for an English Springer Spaniel female. The chart is set against a background of a repeating pattern of small, stylized dog silhouettes. The chart is divided into three main sections by horizontal lines. The top section is for the sire (father) and dam (mother). The middle section is for the sire's parents (grandparents) and the dam's parents (grandparents). The bottom section is for the sire's grandparents and the dam's grandparents. The chart uses standard pedigree symbols: a horizontal line for the sire, a vertical line for the dam, and a diagonal line for the offspring. The chart is framed by a decorative border of small, stylized dog silhouettes.

The pedigree chart is a horizontal tree structure. It starts with a single line on the left, which branches into two lines. The top line leads to a box for the sire, and the bottom line leads to a box for the dam. From the sire's box, two lines branch out to boxes for his parents. From the dam's box, two lines branch out to boxes for her parents. This pattern continues for three generations, with each generation branching into two lines. The chart is designed to be filled out with the names and titles of the dogs in the pedigree.
