2 YOUNG REGISTERED SEASONED POINTERS - 1485865892

A pedigree chart template for English Pointers. The chart is designed to record the lineage of two young registered seasoned pointers, identified by the number 1485865892. The chart is structured as follows:

- Generation I:** Two horizontal lines on the left represent the parents. These lines connect to a central vertical line.
- Generation II:** From the central vertical line, two horizontal lines branch out to the right, representing the offspring of the parents.
- Generation III:** Each of the two horizontal lines from Generation II connects to a central vertical line. From each of these central vertical lines, two horizontal lines branch out to the right, representing the offspring of the individuals in Generation II.
- Generation IV:** Each of the four horizontal lines from Generation III connects to a central vertical line. From each of these central vertical lines, two horizontal lines branch out to the right, representing the offspring of the individuals in Generation III.

The chart is set against a background of a repeating pattern of English Pointers. The entire page is framed by a decorative border featuring a repeating pattern of English Pointers.
