The pedigree chart is a horizontal flow diagram with three levels of branching. The leftmost level has two main branches. Each of these branches into two sub-branches in the middle level. Each of these four sub-branches then branches into two final entries in the rightmost level, for a total of eight entries. The chart is set against a background of a repeating pattern of English Springer Spaniel heads. The entire page is framed by a decorative border featuring a repeating pattern of dog heads and a scalloped edge.
