

PEDIGREE

AKC REGISTERED LAB PUPPIES - 1489357638

Labrador Retriever
02/18/2017
Both

The pedigree chart is a horizontal flow diagram. It begins with a single line on the left that splits into two main branches. Each main branch further divides into two sub-branches, resulting in a total of eight lines on the right side. The lines are connected by diagonal and horizontal segments, forming a series of 'V' and 'W' shapes that represent the flow of genetic information from parents to offspring.
