

PEDIGREE

PETER BRUNER

Registration Number : S729133
German Shorthaired Pointer
Male

The pedigree chart is a horizontal tree structure. It begins with a single vertical line on the left, which branches into two horizontal lines. Each of these horizontal lines branches again into two more horizontal lines, creating a total of four horizontal lines in the second column. This pattern repeats for a third and fourth column, resulting in a total of sixteen horizontal lines representing individual dogs across four generations. The lines are black and the background is white.
