

PEDIGREE

BRADLEYS DAY OF RECKONING SF982545 LVR/RN 112PT PRIZE 1 ^{German Shorthaired Pointer} ^{Male} NAT ABILITY

The pedigree chart is a horizontal tree structure. It begins with a single line on the left, which splits into two main branches. Each main branch further divides into two sub-branches, and each of these sub-branches divides into two more sub-branches, creating a total of eight final slots for recording information. The lines are black and the background is white with a faint, repeating pattern of dog silhouettes.
