

PEDIGREE

Labrador Retriever

YELLOW AND BLACK MPR X CPR PUPS DUE IN APRIL - 1330921872

The pedigree chart template consists of two main columns of lines for recording information. The left column has two horizontal lines, each branching into two diagonal lines that connect to a single horizontal line in the right column. The right column has four horizontal lines, each branching into two diagonal lines that connect to a single horizontal line in the left column. This structure allows for recording the lineage of the puppies.
