

PEDIGREE

EBAS CROSS COUNTRY TRIP (YLW)

Labrador Retriever
Male

The pedigree chart is a horizontal flow diagram. It begins with a single line on the left side. This line branches into two lines. These two lines then branch into four lines. Finally, these four lines branch into eight lines on the right side. The chart is designed for a Labrador Retriever male. The background of the chart area features a repeating pattern of the words 'EBAS' and 'LABRADOR' in a light blue color.
