

PEDIGREE

SR848014

Irish Setter
Male

SR307027

The pedigree chart for SR848014 is a three-generation tree. The root node is SR848014, an Irish Setter Male. It has two parents: SR307027 (Irish Setter Male) and SR450089 (Irish Setter Female). SR307027 has two offspring: one male and one female. SR450089 has two offspring: one male and one female. Each of these four offspring has two children of their own, resulting in a total of 16 individuals in the third generation. The chart is drawn with solid black lines on a background of a light blue repeating pattern of the words 'Irish Setter'.
